End of June 1949

- 25X1 1. The 1st Rifle Regt was quartered in the barracks on the northern outskirts of RAMNICUL VALCEA (35/W 32) late in June 1949.
2. Two field artillery battalions each with four batteries with Soviet 76 mm and 120 mm guns, were attached to the 1st Rifle Regt. The artillery battalions were quartered south of the town. Maj. Gr. GHZORGHE was CO of one of the artillery battalions.
3. The 1st Rifle Regt numbered about 1,200 troops; each artillery battalion about four hundred troops.
4. The ammunition of the mentioned units was stored in a dump near STANJESTI (R 33/34/B 26).

25X1 Comment:

25X1 The 1st Rifle Regt was previously identified in RAMNICUL VALCEA. No information is available on the subordination of the regiment. It appears improbable that two artillery battalions should be attached to the regiment.
